THE 2018 CORFU CHALLENGE

The Anglo-Hellenic League Council once again, as in 2016, in its effort to support other good causes and its commitment to alleviate poverty, has agreed to support the organisers of the 2018 Swim from Albania to Agios Stephanos, Corfu which will take place on Saturday, 8th September 2018.

All funds raised will be given to The Smile of a Child Home situated in the North of Corfu.

The Smile of a Child is a registered Greek Charity with ten 'houses' across the country. In the Charity's 25 year history it has helped over 1.3m children recover from the effects of violence, health problems and extreme poverty, as well as spearheading countless missing children's campaigns.

The Corfu Centre currently houses around 20 children who, for one shocking reason or another, have been removed from the care of their family by court order. The Smile of a Child receives no financial assistance from the government them and the Corfu Centre relies solely on funds raised locally. Supporting and educating children through to higher education is an expensive business and many of the children require intensive therapy to overcome the traumas they have experienced. The life changing impact Smile of a Child has to their lives is unequivocal.

The League, a registered charity, is collecting the donations so that Gift Aid can be added to as many donations as possible to support the Smile of a Child Home.
